

**Dear Business Leader**

The Northern Rivers Business Hub was established as a critical response to support businesses impacted by the 2022 weather event.

This support is continued in 2023 at our new location at Southern Cross University, Lismore Campus. You'll find us at Unit 10, The Goodman Plaza and we're easily accessible with multiple parking areas and surrounding cafes.

The Hub offers individual hotdesks, Internet access, printing facilities and co-working space as well as networking events and subject matter expert seminars to support your journey.

Through the Hub, there is the opportunity to connect with Business Advisors and Government services for business.

The Hub operates between 9-5 Monday to Friday. The Business Hub Coordinators look forward to welcoming you.

Kindest regards  
Jlav
