

# VIP TOUR

Are you looking for a once in a lifetime experience, getting up close and personal and gaining in-depth information about Australian animals? We now have an intimate guided day-long tour of our Animal Park with exclusive behind-the-scenes access.

This is an immersive tour allowing you to gain insider knowledge of the animals and the operation of a facility. Your group will meet kangaroos, wallabies, sugar gliders, possums, emus, koala, a wombat, Australian birds, owl and a plethora of reptiles including snakes, lizards, a crocodile and more.

It includes transfers from your accommodation in Byron Bay or Ballina in an electric Tesla vehicle as well as food and drinks throughout the day.
